

ESH 002 Harold & Thel Petersen Guest House & Tennis Court

Harold: The original tennis court her mother had the Guest House for many years and the original tennis court was just to the left of the Guest House.

Sue: How long was the Guest House running?

Thel: Well it was running for quite a while because a few people were in it. Burgess had it and Cliff Old had it.

Harold: Your mother bought it off Cliff Old.

Thel: I think in the original time it was something to do with the Cunninghams.

Harold: Yes that was one of the originals.

Thel: Because I remember Mary Angus said underneath there was a big room and they used to have dances down there. That was years and years ago.
